INTRODUCING OUR 2016 FESTIVAL ARTIST!

GEMMA COMPTON

An artist/fashion designer based in Bristol, her highly detail work with its strong style has crossed from garments to gallery walls. Being brought up in a small town in the sleepy Cotswold's sparked a lifelong love for nature, particularly ornithology and the British countryside. Her work draws influence from the flawless, high L'Amour imagery used throughout the creative industry.

UPFEST - THE URBAN PAINT FESTIVAL

Welcome to Upfest, Europe's largest Street Art & Graffiti festival, this will be your guide! Please use it as you would with any other map, pick a place and which artist you'd like to find and follow your nose.

Upfest is Europe's largest urban arts festival and is now in its eighth year! This year we've attracted over 300 of the most ground breaking, talented urban artists that the world has to offer.

The festival takes place in the very forward thinking area of Bristol, Bedminster & Southville, residents generally love it, please help us keep it that way and take your rubbish home and respect peoples property.

On the back of this map you will find a stonking music line up and a list of activities and workshops. Use the 'location caps' to find what you're looking for. Like what you see? Let the world know with #Upfest2016

NACOA - THE NATIONAL ASSOCIATION FOR CHILDREN OF ALCOHOLICS

The Festival is used as a platform for Nacoa to raise funds and more importantly awareness of the work they do to address the problems children have growing up in families where one or both parents suffer from alcoholism. Celebrity patrons such as Elle Macpherson, Geraldine James OBE, and Fergal Keane OBE are proud supporters of the only organisation in the UK which offers these services. Upfest is a volunteer based festival and has so far raised £40,000 for the charity.
